

Incident Ticket Triage

Department: IT

Category: Procedure

Source: Synthetic Enterprise Knowledge Base

Audience: Internal staff with approved department access

Purpose

This document provides department-specific guidance for IT staff and approved collaborators.

Key Requirements

- Priority 1 tickets require immediate acknowledgement within 15 minutes.
- Priority 2 tickets require response within 2 business hours.
- Repeated login failures from a foreign location must be escalated to Security.
- Resolved tickets must include root cause and user impact summary.

Review And Ownership

The IT document owner reviews this content every 90 days or after a material process change.

Outdated versions should be archived before the replacement version is indexed.

RAG Test Notes

Queries about 'incident ticket triage' should cite this source when the user has access to IT.

If a user from another department lacks permission, the system should not use this content in the answer.
