

Knowledge Base Admin SOP

Department: IT

Category: SOP

Source: Synthetic Enterprise Knowledge Base

Audience: Internal staff with approved department access

Purpose

This document provides department-specific guidance for IT staff and approved collaborators.

Key Requirements

- Only System Admin can perform full index rebuilds.
- Project Managers can upload and review documents for their own department.
- General Employees can search approved content but cannot stage or approve files.
- Pending index documents must be updated before chat uses the latest content.

Review And Ownership

The IT document owner reviews this content every 90 days or after a material process change.

Outdated versions should be archived before the replacement version is indexed.

RAG Test Notes

Queries about 'knowledge base admin sop' should cite this source when the user has access to IT.

If a user from another department lacks permission, the system should not use this content in the answer.
