

VPN Access Runbook

Department: IT

Category: Runbook

Source: Synthetic Enterprise Knowledge Base

Audience: Internal staff with approved department access

Purpose

This document provides department-specific guidance for IT staff and approved collaborators.

Key Requirements

- VPN requests require manager approval and IT ticket reference.
- Standard VPN access expires after 180 days unless renewed.
- Contractor VPN access expires after 30 days.
- Failed VPN login attempts are reviewed daily by IT operations.

Review And Ownership

The IT document owner reviews this content every 90 days or after a material process change.

Outdated versions should be archived before the replacement version is indexed.

RAG Test Notes

Queries about 'vpn access runbook' should cite this source when the user has access to IT.

If a user from another department lacks permission, the system should not use this content in the answer.
