

Incident Response Playbook

Department: SECURITY

Category: Playbook

Source: Synthetic Enterprise Knowledge Base

Audience: Internal staff with approved department access

Purpose

This document provides department-specific guidance for SECURITY staff and approved collaborators.

Key Requirements

- Security incidents are classified as Low, Medium, High, or Critical.
- Critical incidents require notification to Security within 15 minutes.
- Containment actions must be recorded before eradication begins.
- Post-incident review must list timeline, root cause, and prevention actions.

Review And Ownership

The SECURITY document owner reviews this content every 90 days or after a material process change.

Outdated versions should be archived before the replacement version is indexed.

RAG Test Notes

Queries about 'incident response playbook' should cite this source when the user has access to SECURITY.

If a user from another department lacks permission, the system should not use this content in the answer.
